hamburg

(9th Floor)

overview

In Hamburg, the energy never fades—there's always something happening, something being created, something worth talking about. At 25hours Hotel Jakarta The Oddbird, we're keeping that same spirit alive. Here, ideas flow as freely as the conversations, and every brainstorming session feels more like an impromptu gathering of great minds. Whether you're here to strategize, collaborate, or simply let creativity take over, this is your space to make things happen.

Think big, dream loud, and enjoy the ride—because in Hamburg, the moment is always now.
