NENI berlin

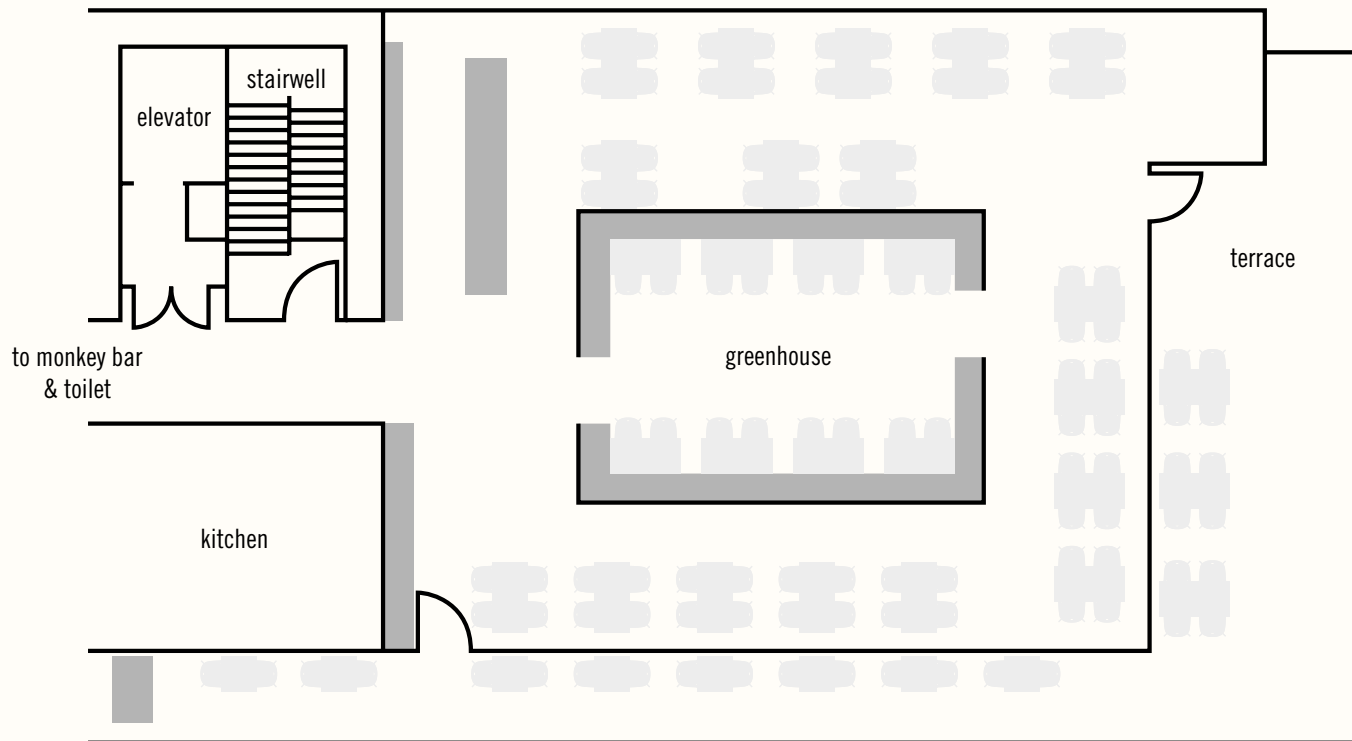

exclusive use

Perched high above the roofs of the city, only one word is befitting of NENI Berlin: spectacular. The floor-to-ceiling windows and the spacious roof terrace offer a breathtaking view of the city and Berlin Zoo. Guests at NENI Berlin are treated to a lavish feast, while the monkeys in the zoo leap from tree to tree, squabbling over their rations. The menu is inspired by Middle Eastern and Mediterranean cuisine. Just gazing at the aromatic humus, fresh chickpea salad and caramelised aubergines is a mouth-watering experience. Everything is served in balagan style. The dishes are placed at the centre of the table for everyone to help themselves.
